Phone: +92 336-6005105

Date of Birth: 29-08-1986

IPMS, Khyber Medical University, Phase-V, Hayatabad, Peshawar (Pakistan)

\*\*\*\*\*

## EDUCATION

---

- 2013-2015    **Master of Science (Ultrasound)**, Bacha Khan University, Charsaddah, Pakistan  
Dissertation: “Causes of Gallbladder wall thickening - Sonographic Findings”  
GPA: 3.14/4
- 2008-2012    **BSc (Hons) Medical Imaging Technology**, Nishtar Medical University, Multan  
Dissertation: “A Comparative Analysis of Aneurysmal Subarachnoid Hemorrhage by Computed Tomographic Angiography (CTA) versus Digital Subtraction Angiography (DSA)”  
Score: 1880/2600 (74% GPA ~ 3.2/4)
- 2000-2004    **Secondary & Higher Secondary School Certificates**, (Pre-Medical Group)  
Pakistan Atomic Energy Commission College, Chashma, Mianwali, Pakistan  
Score: 829/1100 (75% GPA: N/A)

## ACADEMIC APPOINTMENTS

---

- 2012 to-date    **Lecturer**, Institute of Paramedical Sciences (IPMS), Khyber Medical University, Peshawar (Khyber Pakhtunkhwa, Pakistan)
- 2019 to-date    **Member**, Board of Faculty of Allied Health Sciences, Khyber Medical University Peshawar (Khyber Pakhtunkhwa, Pakistan)
- 2019 to-date    **Member**, Programme Team (Radiology), on academic programmes of IPMS, Khyber Medical University Peshawar (Khyber Pakhtunkhwa, Pakistan)
- 2015 to-date    **Secretary**, Board of Studies, IPMS, Khyber Medical University Peshawar (Khyber Pakhtunkhwa, Pakistan)
- 2014 to-date    **Event Manager**, Annual Sports Gala of Khyber Medical University Peshawar (Khyber Pakhtunkhwa, Pakistan)

2013 to-date **Incharge**, All co-curricular/Extra-curricular activities of Institute of Paramedical Sciences (IPMS), Khyber Medical University, Peshawar (Khyber Pakhtunkhwa, Pakistan)

## **RESEARCH AND WRITING**

---

### **Articles in Refereed Journals**

**Mehmood, Atif**, Mehmood, Kashif, (2017) ‘A Comparative Analysis of Aneurysmal Subarachnoid Hemorrhage by Computed Tomographic Angiography (CTA) Versus Digital Subtraction Angiography (DSA)’, Annals of Allied Health Sciences (AAHS), KМУ, Vol.3 No: 2

### **Literary Contributions**

**Mehmood, Atif**, (2004) ‘*Shaam kay Dukh*’ Shehki Publishers, Bhakkar (Punjab), Pakistan (Book of Urdu Poems)

## **SPECIALIZED TRAININGS**

---

- 2018 Cancer Metastasis
- 2017 Molecular Breast Imaging: Clinical Indications, Benefits, and Challenges
- 2016 Certificate in Health Profession Education (CHPE), Khyber Medical University Peshawar
- 2016 Clinical Implementation of Ultrasound in Breast Imaging (CME Certificate)
- 2016 Certificate in Radiation Terror (John Hopkins Bloomberg School of Public Health)
- 2015 Certificate in Cone Beam CT better to guide Biopsies (University of Pennsylvania)
- 2015 Certificate in Advanced Abdominal CT (Institute for Advanced Medical Education)
- 2015 Certificate in 3D imaging Boosts Breast Cancer Detection (University of Pennsylvania)
- 2014 Certificate in the Emerging Role of MRI in Prostate Imaging (Postgraduate Institute for Medicine Englewood)
- 2014 Certificate in Cardiac CT best practices: Building and implementing injection Protocols (Institute for Advanced Medical Education)
- 2014 Certificate in Extracellular and Hepatobiliary MRI Contrast Agents in the Evaluation of Liver Diseases (American Registry of Radiologic Technologist (ARRT))
- 2013 Certificate in Practical aspects of preparing for, and responding to radiological terrorism (John Hopkins Bloomberg School of Public Health)

## **SUPERVISION OF UNDERGRADUATE PROJECTS**

---

2020 ‘Color flow pattern of Focal Liver Lesions (FLL) on Doppler Ultrasound’

- 2019 ‘Identifying the barriers to breast cancer screening among symptomatic women in KPK (Khyber Pakhtunkhwa) Pakistan’
- 2019 ‘Knowledge, attitude and practice regarding breast cancer among the health professionals of a tertiary care hospitals of Peshawar (Pakistan)’
- 2018 ‘Investigating the knowledge base of technologists associated with liver cancer imaging’
- 2018 ‘A study of repeated CT scan need in blunt head trauma’
- 2017 ‘The frequency and Classification of Ovarian Cysts and Its Detection on Ultrasound- A Hospital Based Study’
- 2017 ‘Detection of Hydronephrosis on Ultrasound in Adults and to Resolve its Main Causes’
- 2017 ‘The frequency of Ascites in Chronic Liver Disease (CLD) patients detected on ultrasound in Lady Reading Hospital Peshawar’
- 2016 ‘Implication of Computed Tomography scans in traumatic brain injury’
- 2016 ‘Radiation Protection measures in Medical Teaching Institutions in Peshawar, Pakistan’
- 2015 ‘Contribution of CT Scan in evaluation of Carcinoma of Esophagus’
- 2015 ‘Understanding the role of ultrasound to identify focal liver lesion’

## OTHER EXPERIENCES

- 2017 **Member** organizing team, ‘1st International Conference on Quality Assurance in Higher Education (ICQAHE)’ Organized by QEC- Khyber Medical University Peshawar
- 2016 **Member** organizing team, workshop on ‘Achieving Excellence in the workplace through positive thinking’ collaboration with ACR (Registrars) in IPMS, Khyber Medical University Peshawar
- 2015 **Member** organizing team, workshop on ‘Chest Radiology’ in IPMS, Khyber Medical University Peshawar
- 2004-06 **Sales and Finance Executive**, Faizan Farhan Traders Bhakkar – an enterprise dealing with sales of general medicine and medical equipment especially X-Ray, CT Scan parts
- 2003-04 **General Secretary**, JEEWAN Welfare Society Dulleywala (Bhakkar) - an NGO working mostly in health and Education sector partnering with Awaz Foundation, Multan, Strengthening Participatory Organization (SPO) and Trust for Voluntary Organization (TVO) at local level

## SKILLS

- X-rays, CT, MRI, Ultrasound Machine handling
- Angiography, Nuclear Medicine, Mammography procedures
- IT and Computer Applications

## LANGUAGES

- English (fluent), Urdu/Hindi (native), Saraiki (native), Punjabi (native), Pashto (Basic)
